DAVID'S DEAD

Joann and Phil doing a scene as their character, Jennifer and Peter.

JOANN

You know,... David was my boyfriend, but,... I hate to say it, we weren't getting along. I was actually going to break up with him after this investigation. I'm not saying I'm glad he's dead, but...

PHIL

It does make things easier.

JOANN

Emotionally speaking, yes! I mean, David joked around a lot, but deep down he was a pretty sensitive guy. Breaking up would've killed him.

PHIL

It would've been hard on you too. Breakups are really hardest for the person who breaks it off.

JOANN

Yes! Most people don't realize it, but yes. Peter, you're really get it.

PHIL

Hey, I'm here for you.

JOANN

I appreciate that, I do. It's been hard.

PHIL

I can imagine.

JOANN

Anyway, lately, it was just nag, nag, nag.

PHIL

David seemed pretty laid back to me.

JOANN

No, *me*. I was the nagger. But you see, I had to be, he was too laid back.

(MORE)

JOANN (cont'd)

He never wanted to get out there and do anything. He wouldn't even have been here if not for me.

PHIL

Yeah, well, it's clear you're a girl who makes things happen.

JOANN

Yeah. But, maybe if I...

JOANN

If I hadn't--

PHIL

Takes charge.

PHIL (cont'd)

Gets things done. I like that.

JOANN

Yeah? Oh, you're so sweet.
